EDITOR'S LETTER

So, by the time this issue of Mayfair hits the shelves it will be time to start thinking about your plans for Christmas and the dreaded shopping, and let's hope there's an end to the stormy season distracting us too. On the subject of presents, we've got a magazine full of them for you starting with Katie Thornton dressed up as a nurse kicking it off. What was she thinking, the majority of us couldn't last long enough with her in normal attire, and she had to go and fulfil all of our fantasies as a nurse! I'm running out of space now so I guess I should ask you to try and keep the storm brewing in your pants for the rest of the girls issue, your neighbours don't need to know that you're Mayfair readers. We know though!

Dear Mayfair,

I've never been that keen on private health but, when I got the chance to join a scheme through work, I thought I might as well sign up. I'm glad I did because, when I developed a few problems after breaking my right leg, I had the choice of going into a private hospital to have it all sorted out. Good job too, those private hospitals are just like hotels – TV, en-suite bathroom, the works – and if it weren't for the operation on my leg, I would have enjoyed it 100%. As it was, the personal service turned out to be top notch. In fact, that's why I'm writing to you, to tell you what happened after my op.

I'm told the surgery on my leg went well but, afterwards, I was in my room, feeling very fuzzy, and I thought I was imagining things when this luscious blonde nurse hovered over me. Later, she told me that I apparently tried to grab her though I had no recollection of this. You couldn't blame me, she was gorgeous and just bursting out of her uniform.

I could even make out she was wearing suspenders underneath.

The first thing I actually recall is waking up with a throat as dry as a desert. I leaned over to get a glass of water but I was still too groggy from the anaesthetic, so I pressed the buzzer. I hadn't been dreaming after all because in walked a stunning blonde nurse who asked me what I wanted. I must have grinned from ear to ear because she laughed and said: "I don't think you're up to it yet, mister!"

"Give me ten minutes," I told her. "But in the meantime, can I have some water?" I wasn't really up to joking around but I couldn't resist it. She smiled and handed me the glass, and decided it was time to check my post-operation blood pressure.

> "Gliding over the end of my knob and playing with my soapy balls, had me spurting my load all over my belly."

"Seems to be a bit high, but nothing to worry about. Take it easy," she said and she left the room. All that evening, I found several excuses to call her, she told me she wasn't that busy and she didn't seem to mind.

It was after dinner that I decided I needed to freshen up.

I rang the buzzer and in she came. I told her I wanted a bit of a wash and that I couldn't quite manage it, and she smiled to herself. She said she could help me to the bathroom but added, "Why risk it? Would you like a bed bath?"

Well, what do you think? Anna, as I'd discovered her name was, slid the 'engaged' notice on my room's door, switched on the light, closed the curtains and got a flannel from the bathroom.

She ran it under the hot water tap and wrung it out. Undoing my pyjama top, she said I looked a bit sweaty and I could do with a thorough wash, so I lay back and left her to it. By now, my cock was getting stiff and I knew she could see it. I would have felt embarrassed but there was something in the way she had set about washing me that made me think it was the desired effect, certainly as far as she was concerned. She washed down my chest and under each armpit and went into the bathroom and I heard her rinse the flannel again.

When she came out, the top of her uniform was undone, showing plenty of cleavage. "Are you comfortable?" she asked.

"Ah, yeah," I said, sheepishly.

"I think your pillows could do with a bit of fluffing," she quipped, and before I knew it, she'd lifted my head into her open cleavage and was messing about with the pillows behind me. If that wasn't an invitation, I don't know what is, so I grabbed hold of her full tits and started licking and squeezing them.

I don't know what I was expecting, but it certainly wasn't what I got!

"Not now, there will be plenty of time for that!" she said, sternly. I was totally confused by now.

"Mmm," she said when she finally acknowledged my cock's presence. "I think I'll need quite a bit more soap for that."

I wanted to fuck this hot nurse right there and then! She brought the soap over to the bed and pulled down my pyjama bottoms, freeing my raging boner. My sweet nurse started lathering up my balls but ignored my cock. I was still a bit confused, but I grabbed my erection and started to wank.

Nurse Anna slapped my hand away and told me not to interfere

Dear Mayfair,

How can Adele make something like a white pair of panties and socks look so sexy. I've not stopped wanking over her photos. I'd love to get my hands on those knickers too, but I doubt that's ever going to happen! Adele has been in Mayfair a lot over the last few years, but I never get bored of seeing her naked boy splashed across the pages. I look forward to opening a new copy of Mayfair every time it comes out and if you fancy putting her or Cara Brett in it you'll have one very happy fan!

Liam, Liverpool.

Dear Liam, it's a dead certainly that both of these girls will be back. We can't give you Adele's knickers though!

Dear Mayfair,

What a great sight to see Tommie back in the magazine. I struggle to think of anything that isn't perfect about her. I don't even like Tattoos but the one she has just above her vagina makes me want to lick it from the top all the way down to her wet pussy flaps. And then what do I do with her tits, I guess I would put my dick in between them and spunk all over her face. I'm usually fast at recovering so I would leave it up to her what she would like to do next. I think a good hard fucking would be in order though.

Alan, Dorset.

Dear Alan, it looks like you've been thinking about this for a while and have probably had a few moments resulting with tissues in your hand. We love Tommie's tatto too, and just like you, we think she is pretty much perfect in every single way!

with the treatment. So I just gave in but straight away she grabbed my shaft with her right hand while still soaping up my bollocks.

I really have to say, nurses do it so much better, and it wasn't long before her firm hand, sliding up and down my dick, gliding over the end of my knob and playing with my soapy balls, had me spurting my load all over my belly. Just as well she was there to clear it up.

Before I really had a chance to get over it and think of what to say, she'd cleaned up and left the room, saying she would see me tomorrow for her next shift.

The nightshift!

The next day, naturally, I couldn't get her out of my mind.

One of the other nurses told me the night-shift started at ten, and I couldn't wait. At five past ten, I rang my buzzer. Anna seemed much shyer this time but we had a nice chat. It turned out she had seen me checking in and fancied the look of me, so she'd planned some of what had already happened in advance.

She insisted she didn't normally do that kind of thing but I'd obviously been interested and she had got a bit carried away. I told Anna I didn't mind, that I'd really enjoyed it, and then I caught that little glint in her eye, the one I'd seen the previous day. She left the room for a minute – just checking to see what the other nurses were doing, but they were too busy at the start of their shift and wouldn't notice.

She put the 'engaged' sign on the door and unbuttoned her uniform.

One look at her overflowing bra and my cock was standing to attention again. "Are you going to let me suck those this time?" I asked. Looking straight at me, she popped her tits out and offered them up to me for some sucking.

"Time for your medicine," she said in a matronly voice and moaned very quietly as I sucked hard on her nipples and wobbled her magnificent globes.

"Wait," she said after a few minutes of titty fun, and she took off her knickers, stuffing them into her pocket but, leaving her shoes on. She pulled the bedclothes back and took my cock out of my pyjamas. "If anyone comes in, sort yourself out and I'll pretend to be taking your temperature. Say you're feeling bit hot if they actually ask."

Well, I wouldn't have been lying! She clambered up onto the bed and lowered herself

"My sweet nurse started lathering up my balls but ignored my cock. I was still a bit confused, but I grabbed my erection and started to wank.."

onto my knob. She was soaking wet; she'd obviously been thinking about it as much as I had. She had me so turned on that I came within minutes and, as my spunk filled her cunt, she came too, desperately trying to stifle her orgasmic cries.

I was discharged from hospital a couple of days later, but not to worry – we're going out together now and, lucky me, we still play nursie from time to time!

Rob, London.

Dear Mayfair,

I read a letter recently heard of about a new trend called Rainbowing. It's when a group of women, all wearing different lipsticks, give one man a blowjob until his penis is covered in loads of different coloured lipstick rings.

As a single male with a fetish for very perfumed lipstick, this got me really hard. I love the taste and smell of perfumed lipstick, any colour, as long as it tastes and smells nice. I would love to meet a group of women, or even just one, who would give me a long, slow Rainbow.

I told my ex-girlfriend about my lipstick fetish and she went and got a very, very perfumed lip gloss and gave me a blowjob until I came. Then I French-kissed her lipstick and spunk covered lips, it was such a turn on.

But the best part was making love with my cock covered in loads of lippy until we both came, and then I licked all the lipstick and come from her beautiful, hot, wet, sticky vagina.

I would love to hear from any females who could tell me the makes, names and colours of any very, very perfumed lipsticks.

Even better, I would love to meet a woman who wears lipstick and loves giving head.

G Lawford, Liversedge

KATIE

Katie Thornton is becoming a bit of a regular in Mayfair lately, and it's down to the never-ending letters and emails from you guys demanding more coverage of those fantastic breasts. Put her in a nurses outfit and she's better than gold! "I don't understand why men are so obsessed with nurses outfits? Saying that, I've always been very good with taking care of the human body. Just the other day my boyfriend woke up with a huge erection and by using just my lips, hands, pussy and arse I managed to get rid of it in a matter of minutes." All I get off my other half is a cup of coffee if I'm lucky and I have to tame the snake on my own in the shower, he's one lucky guy!

Continued fome page 5

Dear Mayfair,

I simply must tell you what happened to me this weekend. I'm also a lover of rubber and latex and I can often be found at one of the many rubber balls that take place in this city.

This weekend, I was out at one of the first balls of the summer, wearing my favourite burgundy bodysuit, topped off with a rather fetching mask that hid everything except my mouth. I sup-pose it's odd that I've never come across anyone I've worked with or taught before, but I ha-ven't. However, this night, all that changed when I spotted one of my students, Sophie, clad in a deliciously tight, PVC, nurse's uniform. She didn't hide behind any outlandish make-up, as is the fashion in today's balls, she simply had her long blonde hair pulled tight behind her head.

Only last week, I'd been castigating Sophie for incorrectly guessing that a patient had appendicitis instead of a stomach ulcer, and I distinctly remembered her face as it flushed with embarrassment, but here she showed no inkling of ever suffering from shame. Far from it, everything about her said 'Madame', and my heart palpitated as numerous thoughts flashed through my mind.

You have to understand, this is the stuff of fantasy: a student you've humiliated in front of her classmates takes her revenge, and she never even knows about it. If I did everything right, I could pull it off. I would have to act quickly. She looked incredible and I knew mine wouldn't be the only pair of eyes glued to Sophie.

I walked as fast as I could over there and gently barged past her.

"Just what do you think you're doing?" Sophie demanded to know of me.

"I'm sorry, miss," I said with only the faintest hint of a cower.

"Come here," she ordered. It was working. Just a little bit more and I would be hers. "Kneel at my feet, slave." I did as I was told and she brought her booted right foot up and planted it on top of my head. Oh, there's nothing so delightful as the confines of rubber-wear on a stiffening pe-nis.

"Now, what do they call you, slave?" my new mistress questioned me and, before I could get my name out she pushed her foot down on my head, enough to quieten me, and said, "I just told you what they call you:

Slave! Now lick my boots, you have made them all dirty and I hate dirt."

If she had ordered me to pull out my prick and come on myself, I would have done so in a matter of minutes.

Part of me wished she would – my cock was so hard – but a good slave never touches himself until he is told to do so.

"Hmm," Mistress pondered. "Stop that, slave. Lift your head up . . . Yes, you're just about the right height. Good, perhaps you'll have some use after all. Now, look up at the ceiling," she or-dered. We were right in the middle of the main room and plenty of people were watching. The sight of this strikingly beautiful, 23-year-old dominatrix, wrapped in all that sexy PVC, was a magnet to rubber lovers of all kinks. Once I was staring straight up, Mistress turned around and parked her knickerless crotch on my face. I couldn't resist it and let my tongue probe her anus freely.

"There's a good boy, put your tongue up your mistress' arsehole and make sure it's nice and clean," said Sophie, grinding herself onto me. My prick was desperate to be allowed out, every-one was watching us and the time was ripe for some excellent humiliation.

Sure enough, Mistress knew what she was doing and, after she'd covered my face in her warm juices, she said, "Now take that ugly little cock of yours out and wank it. Fuck, you're like a dirty dog. I bet you'd like nothing more than to hump my leg, wouldn't you? I bet you'd like to fuck my leg and then roll over while I tickle your tummy, you little turd.

Well, here's news for you, you're not going to touch me with that pathetic little prick.

You're tiny little worm couldn't satisfy me even if I did let you near me with it."

As she talked, berating me and treating me like the worm I was, I wanked my shaft as hard as I could, loving every second of it.

Mistress had stopped using my face as a seat and had turned to watch me furiously wanking my dick at her feet. Looking up at her, towering over me, her hands on her hips, he legs slightly spread, I couldn't stop myself and let go of my come, splashing thick wads of sperm over her boots.

"You filthy little dog!" she shouted and cuffed me round the head. "Lick it off, slave.

Lick every last drop of that filthy mess off my boots!" I did as I was told, revelling in the shame. "Now, get out of my sight, worm." She ordered, once I had cleaned her boots.

After that, I went home.

There was no need to stay, I'd had my pleasure and nothing was going to top it.

Today, Monday, I sit at my desk and write this to you after having completed another round of the wards with my students.

Sophie didn't show any hint of recognition so I took great pleasure in berating her for, ironically, missing a bad case of intestinal worms!

Doctor N, London

Dear Mayfair,

Jasmine Webb has the best arse that I've ever seen! It's absolutely perfect in every way. It pains me to think that there are some lucky guys out there that have been privileged to bend her over and take her from behind, maybe with a bit of cheeky slapping taking place to add some spice? I've only ever dated really skinny girls and it really doesn't do it for me, Jasmine is definitely my dream date.

Eli, email.

Dear Eli, Jasmine is certainly up there in the rear-of-the year for this year. Let's just take a moment to enjoy the photo above and let our imagination run wild. That's the whole point of these girls posing, right?

ROXY

Who doesn't like a woman with their legs spread and pulled back over her shoulders? "It's the easiest position to fuck in, lying on your back with a guy in between your legs missionary style! Usually, I can hold back an orgasm, but the moment a guy lifts up my legs and pushes them over my head and on to the cushions behind me I lose all control and gush all over his stomach. I guess it's all due to the deep penetration, but it works every time for me. I talk to lots of my girlfriends and they like lots of different positions when they're fucking, but if one works well for you why do something different?"

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

A star has landed in our laps, and it seems that newbie Suzi is ready to be our guiding light, but where will her path lead us…we're hoping it will be for a roll between the sheets if we're lucky! "You guys are a bunch of cheeky boys. But it's good to know you like what you see." Like what we see! That's an understatement if ever there was one, being in a room with Suzi is like tip-toeing through heaven, and we can't wait

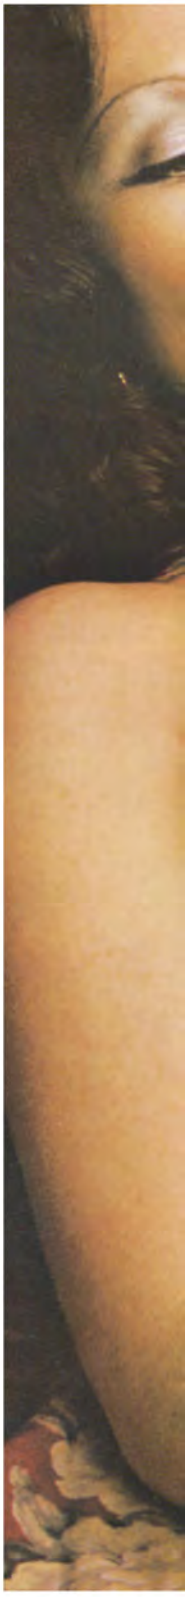
HAZEL

Classic MAYFAIR

London's Hammersmith Bridge on a clear but cold afternoon my not strike you as being an ideal location for a Mayfair photo-spread, but some motorists hurrying past over the Thames might just have been fortunate enough to get a glimpse of the unclothed 35B-23-36, 5 feet 4 inch figure of Hazel Nobbs striking pose after pose in the pale winter night. Hazel had taken time off from her regular job as a computer punch-card operator to head her dark mauve MGB across London from her native Eltham for the Hammersmith session. 'Just my luck,' she grinned in mock-complaint between takes. 'Some girls get flown to the West Indies – I end up here. Still, it could be worse. At least it's not raining! Mark you, I'm not exactly a stranger to open air nudity. In the summer months, I go down to Studland Bay. Have you ever heard of it? It's a very secluded beach near Swanage in Dorset where you can sunbathe in the



nude. I found it quite by accident actually. I'd gone for a stroll and literally walked into hundreds of people with no clothes on. Even though I was only wearing a bikini, I felt terribly conspicuous. Taking it off was quite a relief! Now I'm hooked – I really love it, and nude swimming's quite sexy too!' Hazel was born 24 years ago in south-east London and went to Mallory Comprehensive in Grove Park. In 1971, she became Miss Greenwich, but decided against trying to join the 'Beauty Competition Circus'. 'I'm too much of a jeans and jumper person – I don't think I'd have had the will or the patience to always look perfectly groomed. I'm not really one for dressing up at the best of times. Boyfriends like me looking sexy, but you don't have to get all dressed up for that effect.' Hazel Smiles. 'You just leave an extra button on your shirt undone.' If luck's with you, Hazel can be spotted looking sexy at The King's Arms in Eltham High Street, or, slightly further afield, at the Malta Inn, which is in Allington, near Maidstone in Kent. 'On Sundays,' explains Hazel, 'I love going for long drives in the car out to country pubs and having a meal. I've discovered some really smashing places within easy reach of London – it's surprising how many there are actually, if only you take the trouble to look for them. They're all off the beaten track and take a bit of finding, but the effort's well worthwhile. Motoring on B-roads is fun too. It's a case of "Look, Mum, no traffic!" Or in Hazel's case, look Mum, no pants!.

Tiger enjoys the finer things in life, and we're not talking about wine and cigars! "I love to fuck, it doesn't matter if it's a man or a woman, the end result is pleasure, and anything goes. Just the other day I hooked up with a girl in a bar in London and an hour or so later I had her fist deep inside me. I'd never tried it before but it's amazing what a big squirt of lube can do. I was a bit more gentle paying back the favour with my tongue. If I had to choose you can't beat a good hard cock though.

TIGER

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

My wife, Paula, is one prick-teasing little bitch. She is blatantly sexual and loves to flaunt her body, wearing provocative clothing and acting the slut. A lot of other blokes would not put up with this, I know, but I enjoy seeing the excited reactions she gets when she waggles her arse and pouts while checking out other guys' packages and bums.

I work in sales, and recently I got promoted and was given a much more prestigious area down south. While we're selling our current

home and looking for another place, I have had to live in hotels. I miss my domestic comforts, but of course the thing I miss most is giving Paula a good sorting when I get home every evening.

Like I say, Paula is very sexually driven, and so we have come to a long-distance-sex type arrangement whereby Paula poses and performs on an Internet web cam for me, plus anybody else who might enjoy watching her online! She really gets off knowing that other men are lusting after her body and aching to fuck her, and often they'll instant message her and stuff. Me, I get so stimulated by seeing her perform on camera that I sometimes cum harder just watching her frig herself than I do when we are at home in bed having a proper fuck.

To be honest, what just started off as a bit of fun to help keep me sexually sane when I was away has blossomed into a way of life for us. Paula loves using the webcam at home, and I have a little one in my laptop too, so we often have a mutual wank online! Lately we've become even more adventurous and indulged Paula's passion for exhibitionism by allowing my colleague, Robert, to watch her perform live via the webcam. With the two-way cams Paula can see him watching, and, if anything, she gets twice as horny!

But a few nights ago she performed just for me and I have to confess she got me so excited that my cock was nearly red-raw from tugging it. It was a Friday evening and she'd stopped off on her way home for drinks with the girls from work. I was waiting to see her come online and when she did she aimed the camera into our little kitchen from a vantage point in our living room, then headed straight for the freezer. Taking out an ice cube, she began to run it over her nipples through her blouse, making them stand pert and to attention. She looked so fantastic, like sex on legs.

> "With a shudder, she allowed her hand to slip out, and she lay back on the floor, her sopping pussy visibly clenching as her juices dribbled from her pulsing slit."

Moving to the couch, she positioned her laptop and cam on the coffee-table so I could get a good view of her. Her eyes seemed to glaze over slightly as she almost absent-mindedly began to stroke the insides of her thighs, and run her fingertips ever-so-lightly over her boobs.

Wriggling free of her blouse, she tugged off her skirt before taking off her bra.

I watched in growing agitation as Paula slid a hand inside her clinging tights, feeling her own wetness. Then, raising her fingers to her mouth, she tasted herself, licking and slurping at her fingers as though they were lollies or something.

Gently stroking the top of her breasts and running her hands sensuously over her stomach and arms, she closed her eyes and concentrated on pleasuring herself, her fingers pinching her stiffened nipples and making them grow into hard peaks.

She lay back on the floor and spread her thighs for me, putting her glistening pussy petals on display. I was already having to try bloody hard to hold onto my load and not spunk! Her juice-drenched slit was now fully exposed as her fingers disappeared inside her and her thumb massaged her distended clitoris.

Even knowing so well what a slut she is, I watched with something

very close to astonishment as she frigged herself harder and harder, her entire hand almost disappearing into her lovely wet fanny at times. I had never seen her so worked up.

On and on she went, her fingers plunging into her cunt fast and furious, until, with a shudder, she allowed her hand to slip out, and she lay back on the floor, her sopping pussy visibly clenching as her juices dribbled from her pulsing slit.

Then, to my delight, Paula rummaged around with her top half out of shot then came back into view holding up an enormous plastic dildo in front of the camera. Picking up a bottle of lube, she stretched her sphincter, then squeezed a dollop of it into her anus. She worked the lubrication up her back passage using her finger.

Then Paula pushed the dildo very slowly and gently into her sphincter, and, eventually, her elastic entrance stretched sufficiently to admit the dildo into her arsehole. Smiling at the camera, she began to rotate the dildo. Her arse was very well lubricated at this point, and she began to push it in deeper.

By the look on her face I could tell that she was thoroughly enjoying giving this performance. She knows how much I love botty play, and she was tailoring her performance to my needs!

Pushing her arse nearer to the camera so I could get a close look at her stretched ring and the strong muscle gripping the dildo, she even reached back and pulled her buttocks apart so I could cop the entire panorama!

Then she picked up a vibrator and turned it on. Licking the top of the vibrator, she sucked it almost tenderly, and then, pulling the delicate pink folds of flesh back from her clit, she placed the vibrator's tip against her love-button.

She kept it there for a while,

> "Her arse was still full with the rubber dildo as she commenced to plunge the vibrator in and out of her wet cunt."

during which time I could see her pussy growing wetter and beginning to contract.

Her arse was still full with the rubber dildo as she commenced to plunge the vibrator in and out of her wet cunt.

Never did I see such a horny sight! Paula fucked herself with the vibrating dildo until she was close to orgasm, her hips writhing as she thrust it deep inside her.

With both holes fully plugged, wave after wave of orgasm seemed to engulf her as her pussy suddenly gripped the vibrator hard, and her anal muscles contracted repeatedly around on the rubber phallus jutting from her arse-crack.

I began to wank even more urgently, and spunked off incredibly hard. Even as I was spurting, I was transfixed by the sight of Paula gingerly removing the dildo from her bumhole. What a show!

Mike, Lincoln MF

Hi, my name is Lucy, I'm 19 years old and I thought your readers would like to hear about a new pussy-pleasing experience that began last month.

I've always been a bit of a tom-boy, with a particular interest in old classic cars, as well as the blokes who drive them, but until recently it hadn't really occurred to me how attractive my 34-22-34 figure could be to guys, so I'd hardly had loads of shags.

To satisfy my interest in motors, I got a receptionist's job at a local car dealership.

On my first day I got asked into the manager's office and he presented me with my uniform. It consisted of a sheer silk blouse and a short pencil skirt, all in the company's colours. I slipped off my jeans and T-shirt right there in front of him, and put it on (shyness has never been a problem for me). He told me that I looked fantastic, and catching sight of myself in the mirror, I had to agree, although I knew the blouse would look a lot better with nothing underneath it.

I was wearing a little satin bra so I reached behind, unhooked it and pulled it off. The boss had a good view of my pert little breasts and I asked him if he preferred it that way. "You bet I do," he replied.

From then on this was how I came dressed to work, in my tiny skirt, see-through blouse and nothing else. I liked the feeling of freedom and naughtiness so much I didn't even bother with panties.

Everyone began to really flirt with me, but it was the rougher types from the workshop that had my pussy drooling.

After work, Robbie, the foreman, and a few of the other blokes use the company's equipment to restore a couple of classic cars, and one day, when I'd locked up, I went in search of them.

They were all down in the inspection pit, so standing astride it, I told them that I wanted to come and work with them in the evenings to train for a mechanic's certificate. Robbie raised his head and shone his inspection torch up my skirt, then he told me that I'd have to get closer because he couldn't hear me properly. I hitched up my skirt and squatted down over the pit, while the four of them crowded under me to get a close-up of my stretched fanny lips.

I slowly repeated my request in my sexiest dominatrix voice.

Robbie grumbled about women not being mechanically minded and that I'd only get in the way.

"Well," I said, "if you teach me all you know, I'm willing to strip off tomorrow night and you can clean me off after my lesson with that gooey green cleanser I keep ordering for you."

He agreed straight away, so the next day after work, I went into the workshop, removed my clothes except for my stilettos, and spent my time peering at the underside of cars while the lads spent their time peering at the underside of me.

I got a real thrill from being such a slut in front of them, and it was pretty obvious that it was not just a mechanical education I was going to get by the end of the evening.

Two of them, Brett and Simon, carried me over to a workbench, and laid me on top of it.

"Let's give this lass a bit of a closer examination now boys," Simon said.

And while he reached for the air pipe, Brett held my glistening pussy lips wide open. Simon then, from a safe distance, sprayed the compressed air back and forth over my clit. The tickling sensation was simply incredible, and after a few seconds I could feel myself about to cum. Meanwhile, at the other end, another of the lads, Phil, had decided to see how much of his eight inch cock I could get in my mouth. I closed my lips round his thick shaft and took the lot down my throat.

He started to buck his hips and fuck my mouth harder and harder.

Robbie was now pushing the handle of a screwdriver up my cunt, the dirty bastard, while the other blokes grabbed hold of different bits of my body. I could feel an orgasm building up inside me, my body trembled and I let out a little scream. My love juices dribbled down my slim thighs and within seconds Phil shot a hot portion of his spunk straight into my mouth. I let it stay there until my orgasm subsided, then swallowed it down greedily. Apparently, that was the end of the examination.

Dave, one of the other lads, told me that everything seemed to be in very good working order and all that I needed was a good fluid injection, so he turned me over and started plastering my bum hole with the slippery green goo. I had never had a prick up my arsehole before, and I was slightly nervous as I backed up slowly onto Dave's cock until it was just inside me. As I got used to the feeling of having my tight hole stretched taut, I slid further down his shaft until his cock was buried right up inside me.

Fuck, it was the most intense sexual feeling I have ever had. The weird mixture of pleasure and a slight dull aching sensation pulsed through my body, as did the second orgasm that made me shake uncontrollably. I could hardly contain myself as my juices dripped from my sodden twat onto the filthy garage floor.

Dave seemed to be in a similar state, and it wasn't long after I'd cum that he gave a grunt of pleasure and filled my arse with his sticky spunk.

I had been well and truly fucked, and I now make sure that the lads give me a full service at least three times a week. They seem more than happy to oblige!

Lucy, Portslade MF

Miy boyfriend, Trevor, suggested I write to the magazine and tell you about what happened to us last month. Trevor is 26, and we have been together for three years now. Our sex life is terrific, and when we moved in together I fully intended to settle down and be faithful to him. Honestly.

I am 22 and have long brown hair, dark eyes, biggish tits and a well-toned arse which I keep in shape by using the gym a minimum of three times a week. Last month Dave, an old school friend of Trevor's, came to town on business, and Trev asked me if he could crash with us. I had no objection at all, as Dave is a nice guy – and fucking hot-looking! I should have heeded the warning signs and made some excuse not to have him around, but I couldn't come up with a plausible reason to object. Fuck it, I actually enjoyed having him around, and after the first couple of days of his stay I found myself fantasising about him like hell.

The third day after he arrived, I was taking my morning shower when I heard the bathroom door open.

Thinking it was Trev, I hoped he would join me. I was feeling kind of randy and felt my nipples harden as I soaped my breasts and even began to finger them a little.

Sliding one soapy hand down across my body I lightly stroked my fingertips over my clit. I closed my eyes as enjoyable warm sensations flooded through my body.

I smiled to myself when I heard the frosted glass door of the shower cubicle opening behind me, pleased that Trev was awake enough to want to play. I was more than ready for him, feeling his naked body touch mine as he stepped in and slid the door closed. "Oh yes," I said, keeping my eyes closed as I continued to stroke my clit.

He didn't say anything, but I felt the rock-solid hardness of his cock against my backside. Reversing my arse against it I wriggled back, feeling it swell even more as it rubbed against my bum cheeks. His arms went around me, his hands cupping my breasts and kneading them eagerly.

Then one hand moved down to my pussy, gently pushing my own

hand out of the way and rubbing my cunt.

I moaned as I felt a finger slide into my pussy while another found my pulsing clit and started caressing it in little circles.

I humped my crotch against his fingers, my breath becoming ragged. I had to steady myself against the shower wall to keep from falling because I was going hopelessly weak at the knees, and as he rubbed faster I came hard against his big, strong hand.

My legs still felt like jelly when I turned round to face him with my eyes still closed, and raised my head for his kiss.

He kissed me lightly before moving his mouth to my neck, and then bent to take a nipple between his lips and suck on it. I moaned again, reaching down to grab his hard cock. As he released my breast I lowered myself on my trembling legs until I was kneeling on the tiled floor of the shower. Still holding his cock, I opened my mouth and took it in.

As I sucked him between my lips I heard the sharp intake of his breath. I had sucked Trevor's cock many times and knew it intimately, its size and shape, its taste and the way it felt in my mouth.

I now realised that something was off about the cock I was sucking. It felt bigger, and it felt very different.

My eyes flicked open and the stiff cock slid from my lips as I raised my head, looking up through the falling water and clouds of steam. It was Dave. For a moment I couldn't move or speak. I was frozen with surprise and, I suppose, genuine shock.

"Oh fuck!" I blurted out. "Dave! What are you doing? I didn't know."

He didn't reply and I kept staring stupidly up at him, just crouching there with the water spraying down on both of us. His cock was still in front of my face, big and throbbing. He crouched down too now, so that his face was level with mine, but I noticed that his cock stayed hard. He reached out to touch my face, and gently drew me to him and kissed me. I felt giddy with lust and couldn't stop myself from kissing him back.

Though I was wondering what Trevor would think

> "My love juices dribbled down my slim thighs and within seconds Phil shot a hot portion of his spunk straight into my mouth."

about me fucking his best friend, I was overwhelmed by Dave's passion as well as my own, and I wanted to feel that big unfamiliar cock inside my body. So I compromised. I suppose I thought Trev would feel probably better about things if I didn't let Dave actually fuck my fanny. Or at least that's what I told myself.

"Take me in the arse," I said, breathing hard. I got on my knees and elbows, resting my face against the hard tile floor. Dave didn't answer, just groped for a bottle of baby oil from the shower rack and used the contents to lubricate my ring. I whimpered with pleasure as I felt his slick finger slide into my anus, and then when he removed it I felt the head of his cock probing gently, pushing slowly into me. I pushed back, relaxing my sphincter as much as I could, moaning uncontrollably as he moved into me inch by inch.

When he was buried completely inside me, he reached around to hold on to my breasts, and play with them, and we began to fuck, slowly at first, then faster and harder. Dave's big cock was sending me to heaven, and I screamed as I came so overcome with ecstasy by now that I no longer cared whether Trev would hear me or not.

Dave finally stiffened, clutching my breasts as he exploded with a series of powerful spurts deep inside my sphincter.

Moments later he pulled his softening cock from my bum.

I felt so guilty about what had happened that when Dave left a day or two later I finally told Trevor. Surprisingly, however, he was not the least bit angry and we are planning on inviting Dave to visit us again, only this time Trev wants to watch.

The filthy bugger!

Kate, Plymouth MF

LOLA

Oooh, it's pretty tight, but do you reckon we've got time to squeeze one final lingerie-clad lovely into the mag before we get to the end of the year? Go on then, we'll give it a go... And lo! It's Lola, who as well as choosing to name herself after the Ed's cat (and managing the not inconsiderable feat of actually being cuter than said feline), is also kitted out in some rather splendid lingerie and who looks like exactly the sort of thing we'd like to be unwrapping on the big day itself! "I'm chuffed to have made it into Britain's biggest adult mag again – and I only hope I can help to make sure your horny readers enjoy their last couple of weeks of this year in the sort of style they've become used to!" Yep, we think we can say you'll manage that alright!
